IMMIGRATION NEWS: TRUMP INVOKES THE ALIEN ENEMIES ACT

- On March 15, 2025, President Trump invoked the **Alien Enemies Act**, citing national security concerns over the **Tren de Aragua (TdA)**, a Venezuelan-based criminal organization labeled as a Foreign Terrorist Organization by the U.S. government.

WHAT DOES THIS MEAN?

- Venezuelan nationals suspected of being affiliated with TdA and not U.S. citizens or lawful permanent residents can be **apprehended, detained, and removed from the country.**
- The proclamation claims TdA is working alongside the Maduro regime and Cartel de los Soles to commit crimes, including drug and human trafficking, extortion, and violent offenses in the U.S.
- The Department of Justice and Homeland Security have been ordered to enforce immediate detention and removal of any individuals meeting these criteria.

WHAT SHOULD YOU DO?

- If you or someone you know is concerned about their immigration status, potential targeting under this order, or due process rights, seek legal advice immediately. **Our team at Moreno Law Office is here to provide guidance and support.**
