## IMPORTANT ALERT FOR INTERNATIONAL STUDENTS

The Department of State (DOS) and Immigration and Customs Enforcement (ICE) have intensified efforts targeting **international students**, even those without a history of protest or criminal convictions. Recent actions include:

- **Visa Revocations:** Secretary Rubio recently reported over 300 student visas revoked. Hundreds more students have since faced visa revocations based on alleged criminal activities, including cases that were previously dismissed.
- **AI-Assisted Social Media Reviews:** DOS has implemented a new AI-assisted program to screen social media posts of student visa holders, leading to further scrutiny and revocations.
- **Termination of Immigration Records:** ICE is concurrently terminating numerous student immigration records, putting students' legal status at significant risk.

If you or someone you know is an international student and concerned about your visa status, Moreno Law Office, LLC can assist. Stay informed and proactive—your rights and future matter.
