

# **TRUMP IS SAID TO BE IN TALKS TO SEND AFGHANS WHO AIDED U.S. FORCES TO CONGO**

The U.S. considers a plan to relocate more than 1,000 Afghan refugees, many of whom aided American forces and are stranded in Qatar, to the Democratic Republic of the Congo. This forces refugees to choose between two dangerous options: conflict-stricken Congo or returning to Taliban-controlled Afghanistan, raising concerns about the U.S. commitment to its wartime allies.
